

3RD GRADE MONTHLY NEWSLETTER

December 2024

A note from the teacher:

December is another busy month! We have another field trip this month to the Lied Center. Please make sure to sign the lunch form and return it for that day. We will be gone most of the day on the 12th. Third grade will make gingerbread houses on the Wednesday before break with milk cartoons. Please look for a sign up to help with supplies on that day if you are able. Also, feel free to attend our winter party on the 19th! We always need volunteers to help out with games and crafts.
