Classroom Monthly News

Reading...

For reading this week we are working on prewriting skills and learning the expectations of school supplies correctly.

Math...

We have been working on how to use our math tools correctly.

Change in Snack

Families I know that I shared we would have a snack option at our classroom store and we will still have this but it will ONLY be on Wednesdays. The classroom store will ONLY open on Wednesday. Also, because of our lunch time students will not be able to eat snacks until the afternoon. If your child is wanting/needing a snack daily please send it with them in their backpack to eat in the afternoon.

Help Wanted

I am in need of a parent volunteer who is willing to stuff Thursday Folders prior to the end of the school day. This would be a weekly commitment and would take less than 20 minutes. You could do it at any time of the day. Please email if you are able to help out!

Character Strong

There will be a monthly character strong newsletter once a month attached.

Show & Share

Students will be allowed to bring 1 item that fits in their backpack every Friday to show to others during our morning meeting and share with others during purposeful play.

How to get in contact with me

The quickest way to get in touch with me would be to join our classroom remind link! Text 81010 with the message @b3f98f. If you need to let me know a change of pickup instructions or something quick this is an easy and quick way to communicate! If you need to share something in greater detail please email me @[Kristin.Fisher \(kfisher@usd497.org\)](mailto:Kristin.Fisher@kfisher@usd497.org).

Menus
