

# CLASS NEWS

Week of: 8/26/2024

## A note from the teacher:

Happy Thursday!  
We have had a fantastic week in our classroom! Students completed our FastBridge screener and the IXL math diagnostic. We talked about what to do if there is a "dangerous someone" in the building. I am enjoying getting to know each student. They bring so much joy to my day!

HEALTH	In health, we are learning about injury prevention and safety.
MATH	In math we are learning about math tools: connecting cubes, pattern blocks, geo blocks and picture books. Students are practicing counting and sharing their thinking about math.
CHARACTER STRONG	Our Character Strong trait this week is <b>KINDNESS</b> : acting with understanding, generosity and care.
