

CLASS NEWS

Week of: 10/28-11/1

A note from the teacher:

October's High Five winner is....a tie between Ms. Bobey and Ms. Hurst, both nominated by students in Ms. Humburg's kindergarten class! Everleigh Johnson thinks Ms. Hurst deserves a High Five because: "We getta paint. We learned about Jackson Pollock." Ms. Bobey was nominated for substance and style. Jaxton Urban thinks Ms. Bobey deserves a High Five because: "She taught me about flower breathing and gave me a flower to use." And Anakin Bomar thinks Ms. Bobey deserves a High Five because: "She is sooo nice, and I like how her clothes are."

A High Five honorable mention goes to Ms. Humburg (who won last year). Henrik Wagner thinks that Ms. Humburg deserves a High Five because: "She is a really nice teacher, and she makes me feel safe."

😊 Mrs. Humburg

A peek at our week:

| | |
|------------------|--|
| ELA | In ELA, we are learning letter sounds, how to correctly write the letter sounds and we are beginning to read and write words with the sounds we have learned. In comprehension, we are listening to Stories. By listening carefully to and discussing the stories, students will acquire an understanding of the elements of a story including characters, plot, and setting. This will help students develop an awareness of language to help them become both better writers and readers. These stories will also introduce students to recurring themes in popular culture and children's literature. |
| SCIENCE | In science, we are getting ready for our Plant unit. We will learn about living and nonliving things, plant needs and human impacts on the environment. |
| MATH | In math we are beginning Unit 3: Flat shapes all around is. During this unit, students will identify, describe, analyze, compare and compose two-dimensional shapes. |
| CHARACTER STRONG | Our Character Strong trait this month is Gratitude: is choosing to appreciate the people and things in our lives. |
