LPS CELL PHONE DEVICE POLICY

On Monday, December 9th, the USD 497 adopted a policy that reads in part:

This policy establishes standards for protecting student learning and prioritizing instructional time. During instructional time, cell phones, smart watches, and other personal electronic devices will need to remain in backpacks to ensure a productive, respectful, and safe learning environment throughout the district.

PROGRESS REPORTS

The first semester progress reports become available on the PowerSchool website and app after winter break. Only the standards that have been taught in the first semester have a score. Those standards that have not been taught or are not expected to be mastered yet will be blank. Please let us know if you need help viewing your child's progress report.
