

Dates to Remember

Nov 25-Nov 29 - No School

Reading: We started learning sounds. We have learned the sounds of m, a, t, d, o, c, g, i, n, h, s, f, v, z, p, e. We should be able to read and write words using these sounds.

Math: We took Unit 2 Test this week. We have worked on developing their capacity to compare written numbers. As they count, students can see that the numbers get larger and that there is 1 more each time. Here, they determine "1 more" and "1 less" than a given number or group of objects, strengthening their understanding of the relationships between numbers and the foundation for comparing numbers.

Content: We have been talking about to take care of ourselves and living healthy.

PurposeFull Pursuit: New Trait Gratitude

Gratitude Newsletter:

Often we can find ourselves noticing things that we don't like, or that we wish were different. Choosing to appreciate things in our life, things in others, and things in the world can be a challenge, but practicing Gratitude will help us to be more confident, calm, and focused. This month's focus for Kinder is on practicing Gratitude to support emotion identification.

Conversation Starters:

Can you share or show me what Gratitude is?
Why is it important to know how something makes you feel?

Snacks

We have snack time Monday, Tuesday, Thursday and Friday. Try and send a snack with your student to enjoy during this time. I will not always be able to provide a snack.

Remind

If you have not signed up for Remind to get text alerts please do so! Click the link to join. <https://www.remind.com/join/kellydeer>

Show and Tell

Show and tell is every Friday. Students may bring something one thing to the class! This must be able to fit in their backpacks.
