OUR LEARNING SNAPSHOT:

LANGUAGE ARTS:

- Review Unit- Foundations and Routines
- Unit 1- Plants and Animals in their Habitats
- Writing- Letter Formation, Complete Sentences
- Grammar-Nouns

MATH:

- Adding, Subtracting, and Working with Data

SCIENCE:

- Plant and Animal Adventures

SOCIAL AND EMOTIONAL LEARNING:

- Zones of Regulation
- 3Rs- Respect, Responsibility, & Ready to Learn
- Kindness and Respect

REMINDERS:

Toys- If a student brings them (for BGC or another reason), they will be asked to keep them in their backpack during the school day. Sometimes students will buy a stuffed animal day or bring for show & tell, in which case they can bring that item.

Water Bottles- Students should try to have a water bottle daily. Water Bottles with built in straws are preferred to help prevent spills.

Jacket/Sweatshirt- The temperature in the room/building can fluctuate. It is a good idea for students to keep something in their backpack in case they get cold.

Snacks for class stash- We are always looking for a snack stash in the classroom. Thanks to those who have already brought in some for us. It is much appreciated! We have a milk allergy in our classroom.

THANK YOU:

Thank you to everyone who donated to our class using the Amazon Wish List and Class Needs List. I am truly grateful for your support! ❤️
