### Note from the teacher

Good morning families! I hope you and your families got to do something fun and relaxing this weekend. We have a short but busy week ahead of us.

Thank you all so much for making our Fall Party great. I have added a few picture at the end of the newsletter for those that couldn't make it. Thanks again

Our visit from the fire department was great. The class was kind, respectful and asked some great questions. I hope your child has shared what they have learned with you. I have also added a few pictures from the visit to the end of the newsletter.

This week is fall conference time. Here is the link to schedule the conference. If none of the days or times work, please email me and we can work together to find a something that will work. [Mrs. Bland's Fall Conference](#)
