Dear First Grade Families,

I am so excited for the upcoming year and I'm thrilled that your child is going to be in my class! My name is Jennifer Day and I have been teaching kindergarten and first grade at Deerfield for the past twelve years. Previously, I taught at Broken Arrow and Wakarusa Valley in Lawrence, and before that, in Arizona, New York, and North Carolina. This will be my 25th year of teaching and I'm looking forward to a fun and exciting new school year!

I have 2 wonderful daughters and 2 snuggly cats! I like taking long walks, kayaking, and baking. I love Mexican food and my favorite color is yellow. My older daughter Maddie studied design at KU and she loves running, biking, camping, and traveling. My younger daughter Emma will be a junior at KU and is studying Applied Behavioral Science. She loves swimming and baking.

I can't wait to meet you and learn all about you! We're going to have lots of fun this year!

## Beginning of the Year (BOY) Hopes & Dreams Conferences

I would love an opportunity to meet with you before school starts to get to know your child through your eyes. We will be offering Parent/Teacher Conferences on August 12. These 15-minute conferences provide an opportunity for us to listen to you and learn about your child before the first day of school. Your first grader is invited to attend (but not required). Please sign up at the link below .

Supply Drop-Off: Monday's conference is also a great time to drop off your child's school supplies so that I can get things organized before the first day of school. However, bringing them on the first day is also fine. Please don't hesitate to be in touch if you have any questions!
