Re: Approval of Revision to 2016-2017 District Calendar

Date: July 7, 2016

Background:

Part of the tentative settlement of the Master Agreement includes two additional plan days for elementary staff during the school year, one day in the fall and one day in the spring.

Proposed Changes:

Upon recommendation from the Elementary Plan Time Committee, the Calendar Committee is suggesting that the two days be added in October and March on the Friday of the weeks that the middle and high schools are preparing for parent-teacher conferences. This will allow all students to be out on the same dates.

The Calendar Committee is proposing the fall date of October 14 (middle and high school building professional development/reading & reporting). In the spring, we would like to propose moving the already-scheduled elementary professional development day from March 17 to March 10, and adding the plan date as March 17. Those dates would still correspond to middle school and high school students being out of school. However, since spring break begins on March 18, we feel there would be better attendance at professional development by changing that date to March 10.

Motion:

"I move the Board of Education approve the revised 2016-2017 district calendar pending ratification of the 2016-2017 Master Agreement by the board and teacher bargaining units."
