# Southwest - Existing

A detailed floor plan of a school building, likely Southwest, showing various rooms and their locations. The plan is color-coded to indicate the scope of work. A large blue area on the left side represents the Library/Media Center and Learning Pockets & Pods. A large orange area in the lower right represents the Gymnasium Improvements. Several smaller blue areas are scattered throughout the central and right portions of the building, representing Corridor Flooring, Privacy @ RR & Locker Rooms, Fire Alarm, and STEM Lab Improvements. A large green area in the lower left represents the Cafeteria. Other rooms labeled include MECHANICAL, CLASSROOM, GYMNASIUM, and CAFE. A central corridor runs through the middle of the building, connecting various sections.

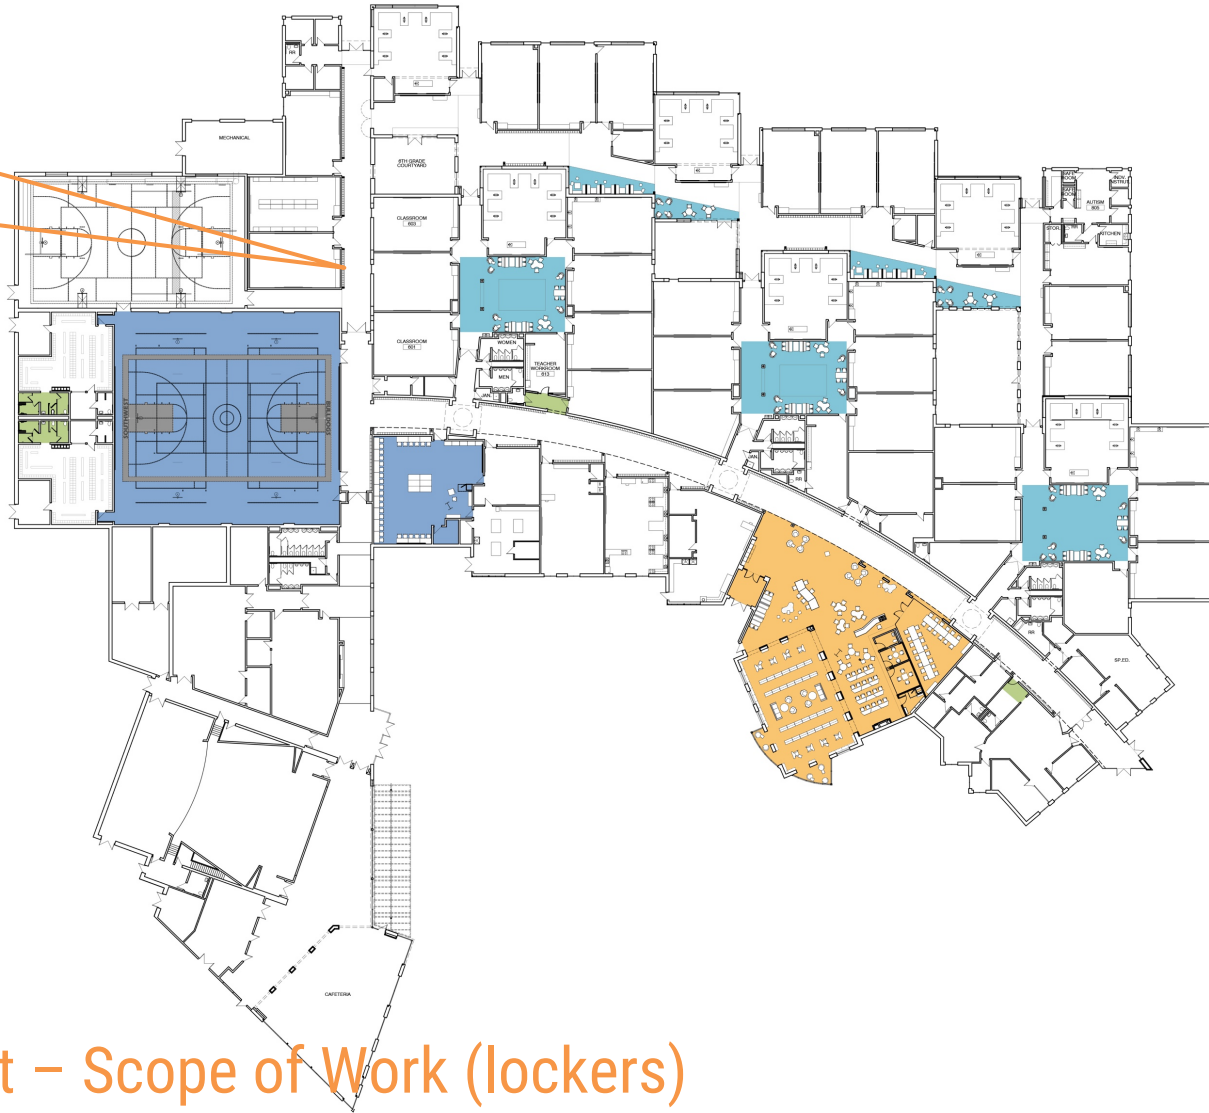

Library/Media Center  
Learning Pockets & Pods  
Corridor Flooring  
Privacy @ RR & Locker Rooms  
Fire Alarm  
STEM Lab Improvements  
Gymnasium Improvements  
HVAC Controls & Balancing  
Roof Repairs  
Lighting  
New Furnishings & Technology
