## Strengths

- Pre-packing/moving meetings with building staff
- Building Admin/Teacher/staff preparation for moving crews
- Internal classified staff willingness to take on additional responsibilities
- Architect and Contractor relationship with principal(s)
- Owner/Architect/Contractor meetings (twice/month)
- Communication and collaboration among district level departments – Strategic Planning team

## Challenges

- Communication with building staff regarding completion of projects
- Timely completion of unfinished tasks
- Excessive assignments for internal classified staff
- Supporting yearly back to school deliveries/work orders with final construction needs

Thank You
