

## Who We Are

The Lawrence Special Education Advisory Committee (L-SEAC) was created in January 2018 as part of the Lawrence Board of Education's Excellence, Equity, and Engagement Goals. L-SEAC is comprised of parents who have students with exceptionalities as well as USD 497 staff and community members.

### Our Mission

The Mission of the L-SEAC is to represent the needs and interests of students with exceptionalities. In addition, it will advise the special education department on program needs; review parental concerns of a programmatic nature; and serve as a conduit and advocate for educating consumers about what constitutes special education.

## Interested in attending or joining the L-SEAC?

L-SEAC has monthly meetings that function as a forum for open communication and advocacy. They are held during the school year, and we encourage those who are interested to attend and consider applying to become an L-SEAC member.

Meetings are every 2nd Tuesday of the month starting at 5:30 pm. Please check the website for locations and updates during the year.
