

Unleash your power to learn.

the
1million
PROJECT FOUNDATION

Here's what you can do with your new device and the 10 GB of high-speed data you get every month:

Make sure you keep tabs on how much data you're using each month by signing into your account at

myaccount.prepaid.sprint.com/

Visit the Sprint Wireless Data Calculator page to see what you can do with 10GB of data:

shop.sprint.com/content/datacalculator/index2.html

Learn more about what you can do with your device, including how to connect your laptop or tablet to Wi-Fi, at

1MillionProject.org/school-resources

Helpful websites/apps:

Quizlet

create sets of flashcards to help improve studying

Duolingo

learn and study a new language focusing on written and verbal skills

Goodwall

connects you with relevant jobs, internships and universities

Photomath

provides step-by-step math help by simply taking a picture of the problem
