## PRINCIPAL'S UPDATE

BY PRINCIPAL JACKIE MICKEL

### Friendship Parties Scheduled for Monday, Feb. 14.

Kindness and Friendship Week is February 14-18. This year Langston will be moving away from traditional Valentine parties to activities centered around Friendship and Kindness. Friendship and Kindness are things we talk about daily and the theme just makes sense for elementary schools. All students will participate in a variety of fun activities in addition to exchanging kind notes with their classmates and having some yummy treats. We are combining our Friendship and Kindness Day with our Winter Ci3T School Reward Party. Our entire school will participate in a virtual Bingo activity and all grade-levels will participate in an additional fun activity designed by our Ci3T team.

All students will exchange kind notes with their classmates. Students may bring store purchased notes (traditional Valentine's) or homemade notes to school or they can make their notes at school with school supplies. Students should make a note for each classmate. Each classroom teacher will send out a **signup for treats and supplies** needed for the day. Please contact your classroom teacher with specific questions regarding supply needs or how to address notes for their classmates.

# DONATIONS FOR THE OFFICE

We are so thankful for our hardworking subs. To show our appreciation, we would like to have a snack basket in the office to offer them. If you would like to donate snack size individual chocolate, granola bars or coffee K-Cups, we would greatly appreciate it.

It has also started getting chilly out during arrival and dismissal - donations of handwarmers for our fantastic staff who are outside during those times are welcome as well!

# FEBRUARY UPDATE

# COUNSELOR'S CORNER

*By: Christie Wartman*

February is a month to celebrate “kindness”! During my classroom kindness lessons this month, we will focus on the importance of kindness and how to spread kindness to others. Students will have the opportunity to see kindness in action through videos and books. We will also have conversations on how they can spread kindness through their words and actions. Students will then get a chance to spread kindness to each other during activities in their classroom. Random Acts of Kindness week is February 14th-18th. Students will have lots of different opportunities to spread kindness through Langston Hughes. They will also help our school kindness tree grow by writing ways that others showed kindness to them!

# COVID GUIDELINES

Our district health team has announced an update to our COVID-19 Protocols.

## CHANGE TO KINDERGARTEN MUSIC PROGRAM

The Kindergarten music program will no longer occur in early March but will happen instead on April 26th. Please stay tuned for the time. In the meantime, Langston Kindergarteners are working hard to develop their steady beat, explore their singing voices, and express their creative ideas through movement and games in the music classroom!

**MONDAY, JANUARY 31 – WEDNESDAY, FEBRUARY 9**

Next week we will officially start this year's read.a.thon, which will run Monday, January 31st through Wednesday, February 9th. Students received information regarding this year's read.a.thon and how to set up their individual reader pages as part of their library lesson this week. [Our main focus is to get students reading!!](#)

Last spring during our very first read.a.thon at Langston Hughes, 296 readers logged a total of 77,973 minutes read and raised enough money to pay for our new student progress monitoring system (ESGI) used with our primary students.

We hope to continue to raise enough donations to maintain this for future use AND reach 85,000 minutes read! Let's go readers!!
