A Message From the Principal

Dear Parents and Guardians

As we head into the second semester of the 2023-2024 school year, I am grateful for your continuous support towards LHS and your children's success. I urge you to talk with your child/children about the significance of reporting unsafe or concerning situations to an administrator, security guard, or our School Resource Officer (SRO). Also, please encourage them to attend school daily, arrive on time, and remain in class throughout each period. Thank you for all the support you provide!

It's a GREAT day to be a Lion! - Quentin Rials, Principal

HEARING AND VISION SCREENING

Lawrence Public Schools conducts Hearing and Vision Screenings mandated by the state of Kansas. To ensure all students can access curriculum and instruction the district screens their Hearing and Distance Vision for concerns that may require further follow-up. The district conducts

mass hearing/vision screenings at the schools: ALL Students enrolled in grades PreSchool through grade 12 may be screened. However, we typically attempt to screen all students in grades PreK, Kindergarten, 1st, 2nd, 3rd, 5th, 7th, and 10th. (Students in grades not just listed may be screened for select reasons such as, but not limited to: at-risk indicators, missing screening data/absences, new to district, special education needs, other health purposes, etc. Preschool students will receive Hearing screening & Vision screening on different dates due to attention and developmental needs.

If you **DO NOT WANT** your child to participate in hearing and vision screening during this school year - PLEASE COMPLETE THE FORM AT THE END OF THIS NEWSLETTER. Use a separate form for EACH of your children/students. This request must be completed by 8:00 a.m. the day before hearing/vision screenings are conducted at your student's school and submitted to the School Nurse or Health Office Attendant. The date of hearing/vision screenings should be available on your school's calendar and the district website (<https://www.usd497.org/hearingandvisionscreening>)

FROM THE COUNSELORS

A-E: Jen Hare F-K: Amy Brown L-Q: Libby Martin R-Z: Michele Frantz

What's Coming Up:

School is resuming on Thursday, January 4, 2024! At this point, second semester schedules have been finalized. If changes need to be made, they need to be requested by Friday, January 5th. We have a quick turnaround for class changes because students have had all first semester to make changes.

Mental Health

There is an increase of Student Services visits this time of year. It has been through experience that the third quarter of the school year is a tough time. There are a lot of reasons for that--weather (less outdoor time), less days off from school, etc). Please check in with your child(ren) regularly and make sure that they are doing okay. Behaviors to look out for:

1. Negative change in school performance. Your child used to be on top of their homework and they stop doing it.
2. Not engaging with friends or enjoyed activities.
3. Any drastic changes in behaviors.

Need help? Reach out to your child's counselor--we can help. Finally, don't wait to check in your child. Every day, ask them how they are doing and how are things going. Having these conversations now can help later.

Communication

We are working hard to be better communicators. All four of us are School Counselors, because we like working with students, spend most of our day working with students individually and, at times, in groups. This means that emails and phone calls sometimes don't get answered in a timely manner. Here is what we are trying to do remedy this:

• Social Media Communication:

Facebook:

"Lawrence High School Counselors"

X (Twitter): @Counsel_LHS

Instagram: lawrence_high_counselors

- Student Services Website Updates
- Monthly newsletter

SENIORS

- First semester grades are finalized on January 4, 2024. If you failed a graduation required course, please speak to your counselor ASAP.
- At this point, you should be finalizing what you are going to do after high school. Most NCAA divisional universities have regular application deadlines in January and/or February. Other universities/colleges/trade school have later deadlines.
- Transcripts will be ready to be sent after January 4th. If you have one on hold, it will be sent after grades are finalized. Put a transcript on hold again for the spring semester to be sent late May.
- Local scholarship applications will be due in February--don't wait until the last minute!
- Stay on top of your coursework and grades. Universities can accept and then deny based on your 2nd semester grades.
- Please reach out to one of us if you have any questions!

Dates

- 12/31: FAFSA (Student Financial Aid) has opened.
