Regional Written Test Times – Division C

Use this form to request a designated time for your students to gain access to their events (mostly the written test events). Livestream device testing sign-ups are on a Google Sheet. The test (designated as an assignment for each team) will become available at your chosen time. Submission of the test will be timestamped to ensure timely completion (please submit within one hour).

Also use this form to list the email account(s) associated with your team that will be used for each event. Initial access to each event's Google Class can be gained by using the Classroom Codes.
